

Calcutta Hardware & Machinery

<https://www.indiamart.com/calcutta-hardware/>

We are manufacturer of a range of **trolley wheels and accessories**, and many other **hardware products**. We **import, manufacture, supply and export** these products in quality range.

About Us

We provide a wide array of products related to trolleys, wheels, and many hardware products. We provide castor wheels and trolleys in a wide range of dimensions and color options. We operate from our extensive premises of Nasik and MIDC, Maharashtra. With our wide range of products, we have developed association with some of the leading names in engineering industrial, hospital, hospitality, automobile, scientific, aviation, food processing, textile, dies, chemical and heavy industries. We are reputed for our high quality and competitively priced products. We import several of our products from international suppliers and others from Indian suppliers. Some of the international brands that we offer are **Flywheel, Longway, Hammer, Rollen and Blicke**. We offer Indian brands of **Johnsons, Rollin, Dawar and Brand Castors**. We manufacture and export a large range of products which are precision engineered, and are popular for their high performance.
