About Us

A child-friendly preschool where we cater to the individual needs of the child based on Montessori theories. We offer a blend of different developmental areas like physical motor development, socio-emotional development, cognitive/intellectual development, creative and aesthetic development. The child learns through play-way method in a safe and sound environment. The teaching methodology involves jolly phonics based learning, story-telling sessions involving role-play, hand puppets, flash cards etc., mastering rhymes through audio-visuals, group activities, refining fine & gross motor skills and lots more. The child feels safe and confident under the hands of well experienced Montessori trained teachers.
