We “**Calypso Horticultures**”, are a **Proprietorship Firm**, recognized as prominent **Manufacturer, Trader and Wholesaler** of optimum quality **Fresh Vegetables** and **Spices Powder**.

About Us

We are the leading Manufacturer, Wholesaler, and Trader of vegetables and spices. we take alluvial, fecund, fruitful and fertile farming lands and develop and cultivate it using natural manures with hybrid hi-tech horticulture technology. Manures increase the high-yielding properties of the soil by providing for organic matters & nutrients to the soil. The organic manures may include Compost manures, animal manures, cow dungs, green manures, sheep manures, pig manures, vermicompost, etc. We use these natural & organic manures in the farmlands.

We supply all kinds of vegetables & spices across the country. Considering seasonal weather variations, we produce vegetables & spices in the hygienic, natural, fresh & vehement environment. Recently we had grown & supplied aubergines, cauliflowers & bitter gourds across the country. Before the agriculture produces being transited, it is dissected, examined & analysed by our quality inspectors with due diligence & toiling. We pack and consign the agriculture produce in the hygienic freezing containers to ensure its freshness at most affordable rates.
