We are an eminent organization engaged in distributing, supplying and exporting an exclusive range of Food, Agro and Medical Products. These products are widely known for their freshness, nutritious value, unadulterated nature and longevity.

About Us

Established in the year **2010**, we “**Cambrique Overseas Exportz**”, have etched a remarkable name in the domain of distributing, supplying and exporting an impeccable range of **Food, Agro and Medical Products**. Our reputed market vendors make sure to use superior grade ingredients while formulating these products. These products are widely acknowledged for their high nutritional value, accurate composition, purity and freshness. There is a widespread demand for these high quality products in the agricultural, pharmaceutical and allied industries.

Our hi-tech infrastructure facility is equipped with requisite tools and instruments. We are assisted by a team of experienced quality inspectors, which conducts rigorous test on these products. These diligent experts test the products right from their procurement on various predetermined parameters. Apart from this, these products are efficiently stored at our well-ventilated warehousing unit, under the vigilance of our experts. Considering all these aspects, we have garnered a huge clientele across the **East Asia** and **North Europe**.

Under the able guidance of our mentor, “**Mr. T. Rajaboopathy**”, we have achieved tremendous success in a short span of time. His exemplary leadership skills and in-depth knowledge of the business have supported us in standing ahead of our counterparts in the industry.
