# camtech Plastic

<https://www.indiamart.com/camtech-plastic/>

Manufacturer of plastic molds, rubber components etc.

## About Us

Camtech Plastic was established in 2007. We apply our knowledge and experience to deliver you an exceptional precision engineering service. We convert your ideas and requirements into fully machined products .We work with our clients to ensure their demands and expectations are met. We have earned reputation as a trusted manufacturer of high quality machined component through our dedicated service of our team. Our objective is to complete your project to the highest standards, to agreed timescales, and to budget.

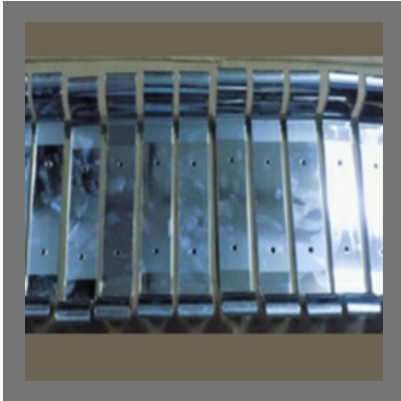

Our team works with your engineers to understand the requirements, compile detailed work, breakdown schedules and plan delivery. Our design and manufacturing team work side by side to manage your project from beginning to end.
