About Us

We provide audio-video solution. We are Panasonic projector distributor & also distributor of JBL audio

Welcome to Cantex AVS, if you are looking for Home, Business, Farm, Hotel, or any other Property Security, Home Automation, CCTV, A/V Integration or Video Distribution Systems, then we can assure you that your search is over. Audio-Video & Security Solution is a buzz word. Project Management and coordination is essential for the successful deployment of complex audiovisual and security system. We at Cantex-AVS provide from documentation to real life implementation of Audio-Video & Security solutions for your requirements. We provide a variety of documentation and support to other trades including system flow specifications, electrical requirement documents, cable pull plans, equipment samples , diagrams for implementation & more. Our goal is to achieve all of the project objectives while adhering to classic project constraints – scope, quality, time and budget by the discipline of planning, organizing and managing resources to bring out the successful completion of specific project. With its base at Ahmedabad,Gujarat Cantex-AVS has come a long way from providing EPABX solutions initially to become one of the rare Project Consultant for Audio-Video-Security. We undertake small to large projects from Home to Offices, from Schools to Colleges , from Private SME & Corporate Sector to Government Sector. Cantex AVS offers the following residential...
