About Us

We were established in the year 1991. To meet the ever increasing market requirements, we have made a continuous improvement in the supply of various genuine and trusted products. The product range offered by us consists of Carbide Tipped Tools, Milling Cutters, Reamers, Drawing Dies & Mandrels. Offered by us, the measuring and machine tools are highly appreciated for their rich attributes such as sturdy construction, impeccable finish and corrosion resistant. To ensure high standards of quality, the offered range of measuring & machine tools are procured from trusted and authenticated vendors.
