About Us

Dear Friends, We are pleased to welcome you, your family, relatives and friends to Shubham Speciality Hospital for providing Super-specialty world class patient care in Varanasi, India. Shubham Speciality Hospital is a well known High-Tech hospital having five star facilities with "state of art" cardiac science department in this region.

As a responsible citizen we are always playing an important role in educating and spreading awareness about preventive cardiac care amongst the common people. Shubham Speciality Hospital combines the latest medical equipments with eminent physicians, surgeons and nursing teams to deliver superior & satisfactory clinical and surgical outcomes.

We pride ourselves focus on clinical excellence and distinctive personalized care at economical prices. The approach is always patient centric. We are constantly working on improving our performance, so that we can deliver the best care for our patients, as well as opening up opportunities for young doctors and nurses. That is why Shubham has no doubt acquired a unique position by its way of approach, consoling care and loving consideration.

We and our team wish you a very healthy and prosperous life.
