Carrier Airconditioning & Refrigeration Limited

<https://www.indiamart.com/carrier-airconditioning/>

Built on Willis Carrier's invention of modern air conditioning in 1902, Carrier is a world leader in heating, air-conditioning and refrigeration solutions.

About Us

Established in the year **1986**, **Carrier Airconditioning & Refrigeration Limited** is engaged in manufacturing and exporting of Ceiling Suspended Air Conditioning Unit, Ducted Air Conditioning Unit, Carrier Ducted Air Conditioning Unit, Cassette AC and Tower AC.

Carrier is a world leader in high-technology air-conditioning solutions. Carrier is a part of UTC Climate, Controls & Security, a unit of United Technologies Corp., a leading provider to the aerospace and building systems industries worldwide.

UTC was ranked at 45th position in Fortune 500 list of global corporations in 2014. Built on Dr. Willis Carrier's invention of modern air conditioning in 1902, Carrier's research, expertise and innovation have resulted in market leading solutions. We recognize the vital importance of maintaining a responsible balance between the comfort we create today and the world we live in tomorrow. Millions of people trust Carrier's leadership in delivering effective solutions.

Over the years, Carrier India has significantly contributed to promoting sustainability. Carrier is the only company in the world to be a founding member of the Green Building Councils of the U.S., Argentina, China, India, Singapore, and France. In fact, Carrier was instrumental in launching the U.S. Green Building Council® (USGBC) in 1993 and was the first company in the world to join the organization.

It invests in R&D resources...
