About Us

Cascon was incorporated in early 2007. It has its office at # 1807, Sector-09, HUDA, Near INCO, Ambala City.

It is a one stop office for Accounts, Taxation, Investments and finance Management consultancy. We are having very good proponent consultants from almost all the fields.

We are Capable of managing your back office work i.e book Keeping, all the statutory, financial, taxation and other day to day administrative functions. Our main motive is to provide good quality service to all our clients & make their business hassle free from the administrative functions. So That they can concentrate on their core business. By outsourcing the said function, you can feel like having your own personally staff. is taking care of entire administrative activities. It will effectively reduce the cost of operation. As part at our services we provide advisory & Placement service to our clients.

We also create customised solution for accommodate you individual needs. We assign highly experienced & sincere people to give the highest level of personal attention to you.
