Caterpillar India Private Limited

<https://www.indiamart.com/catgci/>

Caterpillar has been the world's leading manufacturer of construction and mining equipment, diesel and natural gas engines and industrial gas turbines.

About Us

Since 1925, Caterpillar Inc. has been helping our customers build a better world – making sustainable progress possible and driving positive change on every continent.

With 2019 sales and revenues of \$53.8 billion, Caterpillar is the world's leading manufacturer of construction and mining equipment, diesel and natural gas engines, industrial gas turbines and diesel-electric locomotives. Services offered throughout the product life cycle, cutting-edge technology and decades of product expertise set Caterpillar apart, providing exceptional value to help our customers succeed. The company principally operates through three primary segments – Construction Industries, Resource Industries and Energy & Transportation – and provides financing and related services through its Financial Products segment.
