

Cease Fire & Electrical Services

<https://www.indiamart.com/ceasefireservices/>

We are counted amongst the most trusted Trader firms catering the fire fighting requirements by presenting a diversified product range of Fire Protection Equipments. Our after sales service gained us wide recognition.

About Us

Cease Fire & Electrical Services is the widely acknowledged **Trader** firm keeping the traditional philosophy of quality commitment alive by offering the best quality Fire Protection Equipments since **1994**. Our people are trained to exhibit our strong compliance to authoritative standards and engaged in managing an industry approved product portfolio, which includes high performing Fire Suppression Systems, Modular Fire Extinguishers and Fire Alarm System. Our line of products is procured from industry leading manufacturers and demanded widely for its beneficial attributes of innovative design, optimum performance, sturdy construction, ease of use and competitive price bands. Moreover, the assured quality practices make us able to render highly demanded service for **installation, testing, commissioning** and **maintenance**. We deals in brands **Apollo** And **System Sensor**.

We comprehend a systematic process to listen and garner the initial fire risk assessment and customized fire fighting requirements of clients from domestic, commercial and industrial sectors. We adapt the technological advancements to streamline our distribution network across the country. In addition to this, we invest substantial resources in knowledge development to analyze and evaluate fire & security risks and offer free survey of premises to fulfill the expectations of our discerning clientele. We employ the best practices to sustain the...
