We are the premier manufacturing concern dealing in foldable home utility products. We cater to both Corporates and Dealers. We plan to supply directly to customers (free delivery) via our online portal (commencing from June 2013).

## About Us

Celebrations was incorporated in 2009 with the fundamental mission to provide affordable and top quality cloth drying stands to various Indian households. In the due course, we added more distinguished homeutility itmes. These products are widely appreciated in the domain, owing to their unique features such as light weight, easy to fold & store, heavy duty capacity and anti-corrosion. Our products are currently being used in more than 80000 households across India.

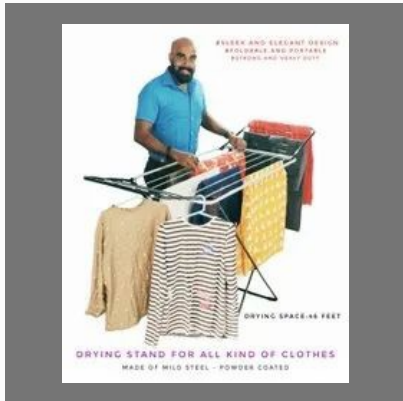

We have gained extreme success within a short span of time due to our unending commitment towards attaining maximum client satisfaction. The support of our dexterous team has proven to be of vital importance. Our infrastructure has been provided with sufficient resources to carry out all tasks with effective results. The manufacturing facility houses advanced technology and up-to-date machinery for superior performance and productivity. We ensure that the raw material used in fabrication is sourced from trustworthy vendors. Our well-developed quality testing facility allows our team to conduct quality checks on a regular basis. The products we offer are stored in a well-equipped warehousing unit. This unit provides ample storage area and also assists in offering simplified storage of the products. Our packaging staff ensures that the consignments are suitably packed, and delivered safely & reliably. The impeccable range of products that we offer can also be customized according to the different...
