Celtek Batteries Private Limited

<https://www.indiamart.com/celtek-batteries/>

Manufacturer of traction batteries, automobile batteries, tubular positive plate and pasted negative plate etc.

About Us

Our Chairman, Mr. A.Govindan, floated the company Mysore Thermo Electric Industries in the year 1969 under the A.G. Group. Mysore Thermo Electric Private Limited started manufacturing Microporous PVC Battery Separators with the brand name 'MICROTEX' and GLASPOL Tubular Bags.

The A.G Group floated a new company in the name of Accumulator Fabrics & Tubular bags manufacturing company exclusively to manufacture the PVC Separators & PT Bags, as Mysore Thermo Electric Private Limited diversified to manufacture lead acid industrial batteries and started exporting to USSR(Russia) with the brand name CELTEK from the year 1978.

In the year 1989, The A.G. Group further floated a new company in the name of Celtek Batteries Private Limited to manufacture lead acid batteries under the brand 'CELTEK'. Celtek Batteries Private Limited is one of the leading lead acid storage battery manufacturer's in India with a wide product range for Auto mobiles, Motor Cycles, Electric Forklifts, Railway Signaling, Electrification, Train Lighting & Locomotives, Telecommunications, Electricity Sub- Stations, Solar Power Stations, Wireless Transmission Systems & Uninterrupted Power Systems (UPS).

Mr. A. Govindan, a first generation entrepreneur promoted the company. Mr. A. Govindan is the Group Chairman of The A.G.Group.

Mr. A. Govindan pioneered the manufacture and usage of PVC separators, when the industry was using the inefficient and...

AUTOMOBILE BATTERY

Our Product Range

Two Wheeler Battery

Motorcycle Battery

Bike Battery

SMF Two Wheeler Battery

POWER BATTERY

Our Product Range

2V 800AH Air Conditioning Battery

Solar Inverter Battery

Signaling Telecom Battery

8V 500AH Lead Acid Battery

OTHER PRODUCTS:

SMF Battery

Traction Battery

GI Lead Sinker

Lead Weight Sinker

Factsheet

Year of Establishment : 1978

Nature of Business : Manufacturer

Total Number of Employees : 26 to 50 People
