

# Cement Blocks Industries

<https://www.indiamart.com/cement-blocks-indus/>

Trader of fly ash bricks.

## About Us

We would like to introduce us as leading manufacturer of different kinds of cement bricks with a production capacity of 2000 bricks per day.

Best Cement Bricks are dedicated to keep the quality of cement products by using the best available OPC 53 Grade cement and curing methods. We use semi automatic Hydraulic machine for shaping and compressing the bricks and a scientific method of curing is adopted for achieving the maximum strength for our products
