About Us

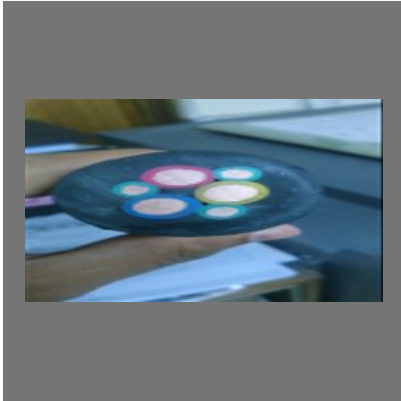

“**Centurion Power Cables Pvt. Ltd.**,” are one of the renowned **manufacturer** and **supplier** of a broad range of **PV Solar Cables, PVC Cables, Rubber Cables, Silicone Cables, Trailing Cables, Welding Cables, etc.** Our complete product array is manufactured under the supervision of experienced professionals using the best grade raw material that is procured from the well-established vendors of the market. These products are manufactured with the assistance of latest machines and advanced technology in order to confirm their compliance with the international quality standards. Our product array is in high demand due to its features like optimum performance, sturdy construction, accurate dimensions, superior performance, compact design and longer service life. We are backed by a sophisticated infrastructure that is constructed over a broad area. For ensuring a hassle free production, we have segregated our infrastructure into many units such as production, quality control, research & development and warehouse & packaging units. Time-to-time regular updates made for keeping our infrastructural unit up-to-date. The segregated units are equipped with latest machinery and advanced technology for completing the bulk orders of our clients within assured time. We have manned our infrastructure with adroit professionals who are highly seasoned and skilled in this field and are also responsible for providing our customers the finest quality...
