We “**Cenvision Technocrat**” are Sole Proprietorship based firm, involved as the **Manufacturer** of **Hydraulic fixtures, Chain Clamping** and much more.

About Us

Established in the year **2000** at **Maharashtra**, India, we “**Cenvision Technocrat**” are Sole Proprietorship based firm, involved as the **Manufacturer** of **Chain Clamping, Punch Dies** and much more. All our products are getting widely acclaimed among the large clientele for their exclusive designs, superior quality, and reliability. Apart from this, our ability to maintain timelines as well as quality in the assortment, providing cost effective solutions and assurance to make timely shipment of the orders placed by customers have assisted us positioning our name in the list of top-notch companies of the industry. We also provide Machining Job Work, CNC Turning Job Work.

Which make a strong linkage between production and supply chain management and therefore claim to satisfy customer requirements. We can certify the components from third-party vendors also. Apart from components, we make Holding fixtures being used on VMC, CNC turning center and others. These fixtures are with mechanical and Hydraulic clamping, as well. We are thankful to our customers for extending their supports by maintaining business relationships since past many years and we are sure that you will give us the chance to prove ourselves.
