## About Us

In our opinion, childhood is the most important and best part of our life. We always look back at our early years with fond memories of our childhood; the manner in which we brought a smile to our parents even when they were tired or overwhelmed by the day's problems, the welcoming arms of our teachers, the selflessness of our classmates and today; only the desire to re-live those years. So we thought of RE-CREATING that warmth and providing a wholesome system of education by integrating amusement, merriment, discovery, drama and exuberance with knowledge in this important phase of life for these tender minds. Chalk Tree is a brainchild of self-motivated and energetic group of people who got along to give freedom to these young minds. The only desire of our group is to cultivate a secure learning environment for these young ones that motivates the learners to DISCOVER their potential and enhance their skills in the fields of education, sports, art, culture, social & environmental responsibilities and moral values. We cater to the early ages from 1 year 6 months up to 5 years and 6 months. We offer daycare facility along with preschool. We maintain a healthy TEACHER:STUDENT ratio to provide the best possible attention to children. Our vision is to take advantage of the teachable moments that happen every day and inspire a lifelong commitment to learning in children. We aim to inculcate the following:

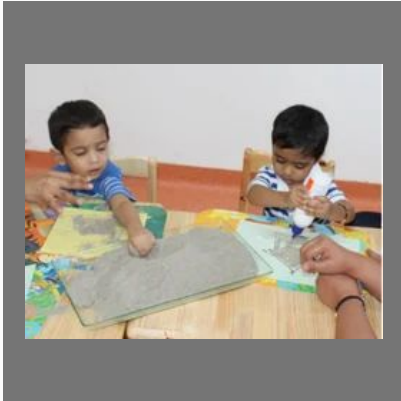

- Promote a sense of self-identity to develop...
