

Chamunda Sales Corporation

<https://www.indiamart.com/chamundasalescorporation/>

Chamunda Sales Corporation is an eminent organization, which is engaged in **Exporting, Manufacturing and Trading** a wide range of **pharmaceutical preparations.**

About Us

Chamunda Sales Corporation has established its industry in the year **1967**, as a sole proprietorship firm and is involved in **Exporting, Manufacturing and Trading** a comprehensive range of **Pharmaceutical Syrup, Paracetamol Syrup, Medical Syrup and Colicwell Drops**. We do not compromise in terms of excellence, therefore follow different quality testing measures in our operations. This further helps us to deliver quality tested and valuable range in the market. Moreover, to make easy and hassle free transaction of money, we offer suitable payment options to the customers, which includes DD, Cheque and Cash.

Our firm has developed a spacious and sophisticated warehousing department, outfitted with all required and essential facilities for safe storage of the consignment. We have divided our warehouse into different other segments, which are proficiently managed by our specialized staff. Further, our experts keep a proper record of incoming and outgoing of the offered products. Apart from this, we have a sound packaging department, where each and every product is hygienically packed by our packaging experts. This further enables us to protect our range from any external flaw during transit. Supported by a group of practiced and qualified specialists, our organization is equipped for serving the different requirements of customers in a proficient way.

All our industry related task and activities are...
