About Us

Petals Ayurvedic, Herbal, Botanical & Organic Beauty n Personal Care Products.

Petals- Ayurvedic beauty products reflect the very essence of natural care for your skin, hair and body to make them stay healthy and attractive for long span.

These products are inspired from the ancient Indian science of ayurveda and made from special blends of botanical extracts, nutrients and natural aromatic oils, which are unique and highly effective. These exclusive products have been produced after extensive trails and formulated on the basis of ancient ayurveda to suit all types of skin. All products are specially developed for all age groups using the latest scientific production techniques coupled with precious ayurvedic herbs and their extracts that suit specific skin types without giving any negative reaction.

So go ahead and enter the world where you can explore your beauty to the fullest.

When ever the word beautification comes ayurveda strikes the mind. Ayurvedic preparations are helping upto a great extent inbeautifying and maintaining skin, hair, body since ancient times.

Mrs. Chand Chugh a renowned name in the world of beauty with the magic of ayurveda is associated with ayurvedic studies and researches related to beauty and personal care since last 25 years. Owner of a well known ayurvedic beauty centre, she did various researches and offered a variety of preparations as face packs, lepas, hair packs, oils, face creams etc....
