About Us

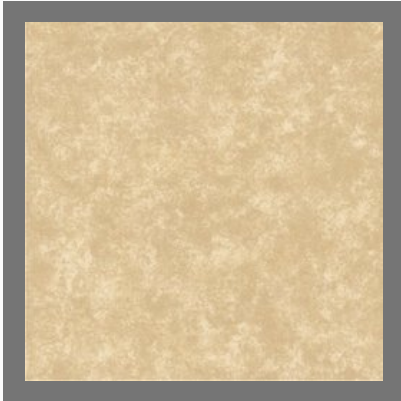

Chandan Marbles has been operating as an independent and trusted flooring and sanitaryware retailer within the India County area for more than 15 years. We are proud to be a family-owned and operated business with experienced staff that are absolutely passionate about flooring and good customer service. Establishment: Chandan marbles established since 1996, it started with one small unit of 3500 SquareFeet with some of natural stone, now we have 6 units with total area of around 300 k Square Feet in different area of Pune with all variety of natural & artificial stones, tiles, Sanitary wares, CP fittings, furniture, lights, art effects and many more items of your total interior solution. **Our Experience:** When it comes to experience within the tile and stone industry, we are proud to be one of (if not the) industry leader within the Pune area. We believe this experience is what has helped us embrace the changes in the industry over the past decades and is also what separates us from our competitors. With our strength, people, values and customer satisfaction, we look forward to be the first choice of our customers each time.
