<https://www.indiamart.com/checkmate/>

We are Promotional item manufacturers, wholesaler & retailers of gift items, clocks, wrist watches, leather items, pens utility products etc. Our products are known for their durability, cost effectiveness & designs.

About Us

We, **Check**, are the one of the leading manufacturers, wholesalers and retailers of **Corporate Gift Items** from past 20 years. Our products are marketed under the illustrious brand name. The products that we offer find application in offices and households. We undertake printing in accordance with the specifications detailed by our clients. Further, Through our client centric approach, we have been able to establish a strong foothold in the domestic and international markets. They are produced using quality raw material such as plastic and wood, which are procured from reliable vendors. We have well laid infrastructure equipped with all modern day facilities and technology to enable us to produce in bulk quantity and dispatch within the stipulated time frame. It is ensured that a product goes through a strict quality control checks. For this matter, there is a well trained team of quality controllers who supervise the entire process. We facilitate our clients with easy payment modes such as cash & cheque, and this helps us attain utmost customer satisfaction. There is a well experienced team of designers and professionals, which is constantly engaged in the process of innovations to make the products cost effective and durable. They have helped us explore new dimensions for organizational growth. The towering position of the company is owing to their consistent efforts.
