# Chemico Paints (India)

<https://www.indiamart.com/chemico-paints-india/>

We are a manufacturer and exporter of paints and thinner in India. Our products are widely used in industries like sports, brass, metal, wood, furniture, paints, rubber, printing. We supply high quantity products at most competitive prices.

## About Us

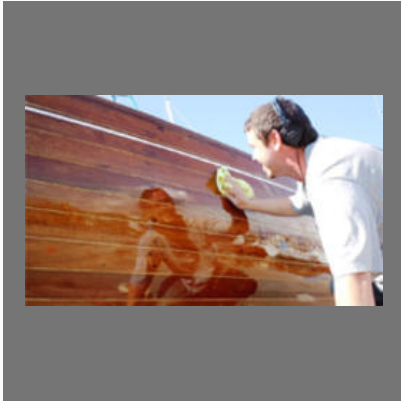

Chemico Paints (INDIA), established in the year 1987, is now a renowned brand in Indian chemical industry. It is one of the most reliable and capable Indian Trading and Manufacturing Firm in chemical business community. The philosophy of customer satisfaction and long-term business enables CPI to establish a solid business relationship with the leading suppliers and customers both in domestic and overseas. In addition, its ethical business practice has given us a name that inspires trust. Little wonder, we have biggest names from various industries as our clientele. This trust is earned brick by brick over many years of hard work and diligence.
