Established in the year **2015**, **Chemproof Chemicals** is reckoned amongst the praiseworthy **manufacturers** of a supreme quality array of **Flooring Sealant, PP Primer, Synthetic Adhesive and much more.**

About Us

Established in the year **2015**, **Chemproof Chemicals** is reckoned amongst the praiseworthy **manufacturers** of a supreme quality array of **Flooring Sealant, PP Primer, Synthetic Adhesive, PVA Based Adhesive and much more**. In tandem with the quality standards laid down by the industry, the offered products are processed at our vendors' end making use of optimum quality basic material and progressive tools and technology. Owing to their precise composition, smooth surface finish, fast drying, safe packaging, long shelf life, and eco-friendly, these products are extensively demanded and acclaimed amongst our customers. Furthermore, the whole product range can be availed from us at feasible prices. **We also provide Flooring Service, Floor Coating Service and Anti Corrosive Coating Service to our clients**. We are assisted by foremost and trusted vendors who are known for their product quality. Our entire products range is procured by our expert procuring agents after strict examinations to ensure their faultlessness. Moreover, the complete reputation and admiration we have achieved from our respected customers has been possible due to the consistent efforts of our adept and competent team of professionals who are well versed with the knowledge of this domain which assisted them to accurately comprehend the requirements and demands of our valued customers. Furthermore, our quality controllers check the whole products range on several parameters...
