Chirag Electronics

<https://www.indiamart.com/chirag-electronic/>

We “Chirag Electronics” are involved as the **manufacturer of Control Panel, Main DB Panel, Motor Control Panel, Electronics Equipments** and much more.

About Us

Established in the year **1998** at Maharashtra, India, we “**Chirag Electronics**” are **Sole Proprietorship** based firm, involved as the **Manufacturer of Control Panel, Main DB Panel, Motor Control Panel, Electronics Equipments** and much more. All our products are getting widely acclaimed among the large clientele for their exclusive designs, superior quality, and reliability. Apart from this, our ability to maintain timelines as well as quality in the assortment, providing cost-effective solutions and assurance to make timely shipment of the orders placed by customers have assisted us positioning our name in the list of top-notch companies of the industry.

With the time passing by and technology evolving, we have steadily grown and expanded our operations and now have covered most of the sectors today. Beginning from the manufacturing of Control Panels, we manufacture today a **complete range of LT Switchgear Panels**. Chirag Electronics always believes in co-operation with the clients to build a long-term relationship with them and enjoy their confidence. Company’s continuous **investment in technology, research, and development, marketing along with quality management in manufacturing to after sales support** has created a significant advantage for the company.
