Metal, Sodium Methoxide Powder, N-Butyraldehyde & more

About Us

Established in the year **2006**, we have etched a resounding name for ourselves as leading **Wholesaler, Supplier, Trader and Importer of Butyric Acid, Alcohol Chemical, Chlor Alkalies, Chlorinated Solvents, Aromatics Chemical, Monomers Chemical, Glycol Ethers Chemical, Intermediates Chemical, Acetates Esters Chemical, Chemical Acids, Chemical Ketone, Oleo Chemicals, Plasticizer Phthalate, Specialized Chemicals**. Our wide range covers above 60 products. Furthermore, we also offer Specialty Chemicals. All These products have gained widespread approval of the clients and are in great demand in the present market. The range is appreciated for its effectiveness, pure composition and correct pH balance.

Located in Mumbai (Maharashtra, India), we source all our products from veritable manufacturers & importers of the Chemicals. Our quality auditors scour the market and enter into discussion with the vendors before the actual sourcing process is undertaken. We claim to adhere to global standards of quality in all the process of the enterprise. It is our endeavor to meet up to this claim with integrity and honesty. All the business transactions made by us are highly ethical and transparent. Furthermore, these are conducted with due regard to the specific needs and requirements of the customers. Our packaging team ensures that all the products are delivered within the time frame attributed in the contract. Currently, our client spans across a wide area...
