A picture is worth a thousand words but I think wedding photos are more than that; it consists of love, promise, memory, passion, and joy.

About Us

Things were not easy for Christo as photography wasn't his obvious choice. It was the dept. Of journalism at MCC which hypnotized his passion for photography where he learnt the basic techniques of camera handling. It was in the years between 2011-12 when he started working under experienced people in the field. The year 2014 was an integral part when his passion for photography further more thus taking him to a photography school in Mumbai named Shari academy where he learn the important techniques of photography. He has been involved more than 100 Weddings across India with over 4 yrs. Of experience. CP photography has its own stories stored within things like ISO, Shutter speed and Aperture. Itz one place where colors are played with the way one wants. The images captured are stored in forever with its sharpness and right pixels as we believe in doing things the natural way. This is how CP started its Journey in photography. CP wedding experience: Marriages are made in heaven but capturing it in a single frame at one click is done by CP photography with its perfect blend of emotions at all times that makes it look beautiful even when tears rolls down your cheeks. He also has his own studio called Purelights studio in Chennai where his assistants work with him eager to learn about what perfect photography is all about. Our services: Some places have only summer while some places have a variety of seasons. We can see moon by night and sun by day...
