About Us

Cine India Group was established in the year of 1991. Mr. Chandrahas Kuchya is the Chairman and Managing Director of Cine India Group. The group engaged in different business sectors namely, Fasteners, Aviation (Non–Scheduled Airline Operations, MRO and Ground Handling), By using advanced quality assurance procedures, the optimum quality of the offered screws is maintained at all times.

Cine India Group is solid in its fundamentals and nurtures a culture where success does not come in the way of the need to keep learning afresh out to keep experimenting. Every company of Cine India Group or Enterprise Operates Independently. Each company has its own Board of Directors and shareholders to whom it is answerable. The Group inspires its sister companies to have an edge over its competitors and puts them at the forefront in their respective field. The companies are continuously seeking ways to improve their products and services.
