## About Us

RG's Fashions Pvt. Ltd introduced Citi Style - one of the earliest 'value' or 'budget' stores to hit the market. The idea was to merge style and affordability and give the masses a real chance to flaunt the latest fashion. In other words, Citi Style aimed to bring style for all!

After launching its first store in Kolkata at the bustling Rashbehari area in 2004, Citi Style met with unprecedented success. And right now we are talking of Citi Style - a hugely popular, fast growing fashion retail chain with presence in prime locations of Jamshedpur, Dhanbad, Siliguri & Varanasi.

Per sft. Sales is amongst the highest in the segment. A feat that Citi Style has accomplished in a relatively short span of time. The overall 'look' of the Citi Style format is far superior than other value stores in India. The newest store in Siliguri takes Citi Style to another level, thus creating a class of its own.
