About Us

We are serving nation since 1968. We are giving our best services and improving it day by day as well as year by year. Since 2015 we were dealing in paints and polishes only. To server customer's need we now deal in total Home Decor - as Hardware - Sanitary - Paints & Polishers.

City Paints is a leading company that is strived and committed towards delivering excellent quality products, paints, sanitary & hardware, waterproof appliances. We are a one stop shop that provides all the apparatus, tools and equipment that are required during painting an industrial and commercial house. We market end-to-end products for all every sizes and kinds of painting requirements whether it is exterior or interior.
