We are one of the leading manufacturers, exporters and suppliers of an extensive range of industrial drilling machines. These are successfully catering the various requirements of engineering industry.
About Us

Incepted in the year 1989, **C. K. P. Industries** is one of the prominent names amongst the manufacturers, exporters and suppliers of industrial drilling machines, radial drilling machines and tapping machine. These are identified on the basis of their various models available with us. We have following models of **Drilling and Radial Machines Model BDM/LD, Model BDM/MD, Model BDM/HD, Model P2/25/GT, Model PA/30/GT Auto-Feed, Model P4/40 Auto Feed, Model PDM/HD, Model BDM/GT, Model PDM/GT, Model BVR/325/GT and Model RDH/A/330, Multi Spindle and Gang Drilling**. To ensure optimum performance and long serviceability, we use cast iron and steel of high quality standard.

We market these **drilling machines** under the brand name “**C.K.P. Industries**”. While we are having 2 hi-tech manufacturing units aiding us in meeting the deadlines, we are all set to come up with a new unit of CkP. Moreover, to meet the specific requirements of our clients, we offer customization facility based on the **drilling capacity, spindle speeds and pillar diameter of the drilling machines and multi spindle, gang driling.**

We are continuously progressing under the able guidance of our promoter and mentor **Mr. C. K. Palanisamy**. Capitalizing on his 45 years of experience and in depth knowledge of the industry, we are able to fulfill the demands of our prestigious clients. Moreover, our client centric approach has helped in acquiring...
