About Us

We are into Mica Business for 3 generations, in the year 1953 C. L. Roongta was established by Late S. L. Rungta, with a view of expanding our business world wide. Since then we are exporting all forms of Mica weather its Processed Mica, Fabricated Mica, Mica Scrap or Mica Powder. We fabricate Mica Parts as per buyer's design and specification.

Our Product range includes Processed Mica: Mica Blocks, Mica Thins, Mica Splittings, Mica Films, Mica Scrap. Fabricated Mica: Mica Shields(gages glass mica), Stove Plate Mica, Mica Discs, Mica Washer, Micanite(Lamp shade Mica), Mica Sheets, Mica Powder. etc.

We are exporting Mica through out the world, but to countries like UK, US, Japan. we export most. We have long business relation with all our buyers, who are very much satisfied with our Quality & Service.

We can proudly say that we are supplying Mica to one of our Japanese client, YUTAKA & CO., LTD. OSAKA, JAPAN since more then last 50 years.
