About Us

Cities much awaited need for a professional laundry, is now being launched by CLEANSE, the ultra modern laundry backed by the latest Italian machineries will focus on the high quality laundering using the best imported chemical, Perchlorethylene which is absolutely odour less and harmless to the fabric. Fabric -friendly detergents and the purest water required to maintain the original texture and color of the clothing being laundered. Added to this a computerized system in every stage of our dry cleaning that imparts life to the cloths we launder. Our exclusively designed steam ironing and finishing machines that will give a smoother and elegant finish to your cloths. International standards form the collection to the delivery of the clothing will be maintained to the satisfaction of our customers, with CLEANSE highly committed services you can at last bid a find adieu to all your laundry problems.
