About Us

Cloud Rain is leading web Hosting provider in India based at, Pondicherry, Tamilnadu. We are so glad to provide web hosting and domain registration services at very least price. Presently we are serving more than 6,500 customers all over the world and hosting around 25,000 websites including government websites, corporate websites and personal websites. CloudRain offering the following services to all our customers.

We provide our customers with exclusive web hosting services at competitive prices. By using a large number of Dedicated servers, we are able to maintain high uptime and are able to provide unlimited web space and bandwidth to our clients, thus resulting in lowered costs. We understand that like us, every entrepreneur looks at getting the best service at the most cost effective prices. Therefore, we try to provide exceptional quality web hosting and designing services to all our esteemed clients at unbelievable packages.

CloudRain remains unbeatable in terms of reliability, quality, and performance in the Web hosting industry. Through constant, free upgrades, our customers will enjoy with our web hosting solution. By continuing to listen to our customers, we continue to learn, grow and evolve our business.

Huge numbers of webhosting companies configure MS Sql, My Sql, E-Mail, DNS, FTP and rest in One Dedicated Server to reduce the Server Manufacturing cost. So the Processor and the RAM will take over load of that dedicated server will be utilized...
