

C.N.R. Engineering Industries

<https://www.indiamart.com/cnengineering/>

We are a distinguished manufacturer, exporter and supplier of industrial process machinery. Our range is acknowledged for optimum performance, higher efficiency and long service life.

About Us

Established in the year 1990, **C. N. R. Engineering Industries** is the prominent manufacturer, exporter and supplier of industrial process machinery. Our range comprises **Capstan lathe, Capstan lathe craft-42, surface grinding machine, drilling machine D-30, drilling machine D-13 and Capstan lathe model mini craft20**. In addition, we also offer **drilling machine model D40, drilling machine model D20, drilling head modules model CNR35-H, drilling machine, drilling head modules up to 13mm and tapping machine**. Our precision-engineered machinery is used in different types of fabricating and allied industries all over the world. Our state-of-the-art infrastructure sprawls across the wide area of 20,000 square feet which enables us to meet the bulk and urgent requirements of our clients. With the assistance of our quality controllers, we provide sophisticated machinery that undergoes stringent testing procedures to ensure their durability, anti-corrosive and can withstand high performance demands in diverse industry applications. Our customer-oriented approach and strict adherence toward maintaining the quality of our products, our machines are appreciated by our clients spread all over the world. Under the proficient mentorship of our chairman **Mr. C. N. Ravi Rajan**, we have achieved a leading position in the industry. His professional approach and sharp business acumen is instrumental in serving our clients across the globe.
