We are a renowned Manufacturer, Supplier and Exporter of an effective range of Industrial Refrigeration And Air Conditioning. In addition to this, we offer after sales services like Operational Training and User Manual.

About Us

Established in the year **2001**, we, “**Cold Gold Refrigeration**” are engaged in manufacturing, supplying and exporting an innovative range of **Home Appliances**. Our range is widely applauded for its attributes like supreme quality, durability, low maintenance and affordable prices. Along with this, we provide after sales services such as operational training and user manual to our customers. With the help of our efficient team of personnel, we have been able to offer exclusive quality products to our esteemed clients located across the **Indian Subcontinent**. Procured from a renowned vendor base, high grade material is utilized to manufacture our product range. The entire product range matches up to the set industry quality standards and norms. Furthermore, the wide infrastructure is equipped with all the requisite tools, which facilitate smooth production process. Our mentor, '**Mr. Baiju Abraham**' has nurtured the company with his industry knowledge and domain expertise. He possesses exemplary leadership qualities that have enabled him to manage the huge team of professionals operating in different departments.
