## About Us

In color dreams Sapna agnihotri is a research-based interior designer, a leader in a manufacturer of fine contemporary and classical furniture. She has worked in several cities. She specializes in the design of public buildings, hotels and resorts, luxury hotel boats, corporate offices and private residences. Color dreams has been designing interiors & exteriors for over 5 years and our expertise lies in several areas from homes, boutiques and theme Restaurants to corporate hubs. At Interiors Solutions our goal is to help you create your perfect environment, at home or work. We will guide you in designing attractive, yet functional facilities, saving you countless hours and costly mistakes.
