About Us

Precise the name is accuracy & perfection. Two young partners established an organization in the name & style of M/S Shinde Bartakke Enterprises in 1984 & a journey of success started. Since then we are continuously engaged in providing quality products and services. Our dedication has taken a shape in the form of Precise Systems in 2005 and further we widened our horizons by establishing Precise Transtech in 2002 & Precise Controls in 1989.

Our continual efforts and our zeal to establish a bench mark in quality was rewarded by Kirloskar by conferring award for quality twice and by telco conferring us an award of an A class Vender.

We manufacture the wide range of products with latest manufacturing facility of proven products. Our specialty is a Range of cabinets to meet every industrys requirements.
