## About Us

Infratech Real Estate Group is the largest Real Estate company in Central India. The development business of Infratech Group includes homes, commercial complexes, farm houses and resort villas. Infratech Real Estate Group has built fully integrated township sprawling over 88 acres in prime location of Nagpur. Different residential units, ranging from villas, bungalows, row houses and different sizes of apartments are located within the premises. Infratech has also introduced the concept of developing commercial complexes and shopping malls in the vicinity of residential area. Infratech planned to develop world class hospitality properties under the luxury, business, leisure and recreational segments of the hospitality industry. Therefore, Infratech has acquired land in Portblair in Andaman & Nicobar Island for luxurious resort to expand its presence in the tourism industry. Infratech has also launched an integrated township in Nagpur, sprawling over 250 acres. Well planned infrastructure housing, ranging from villas, bungalows, row houses, commercial complexes, different sizes of apartments and villa plots are planned within the gated community. To elevate the lifestyle to a whole new level, Infratech offers its residents a host of entertainment and recreational facilities. In Infratech's integrated township you will find themed restaurants, amphi-theatre, fully equipped gymnasium, jogging track, swimming pools and indoor and outdoor games facilities....
