About Us

The Raymond Group was incorporated in 1925 and within a span of a few years, transformed from being an Indian textile major to a global conglomerate. In our endeavor to keep nurturing quality and leadership, we always choose the path untaken - from being the first in 1959 to introduce a polywool blend in India to creating the world's finest suiting fabric the Super 250s made from the superfine 11.4 micron wool. Today, the Raymond group is vertically and horizontally integrated to provide customers total textile solutions. Few companies globally have such a diverse product range of nearly 20,000 varieties of worsted suiting to cater to customers across age groups, occasions and styles. We manufacture for the world the finest fabrics - from wool to wool-blended worsted suiting to specialty ring denims as well as high value shirting. After making a mark in textiles, Raymond forayed into garmenting through highly successful ventures like Silver Spark Apparel Ltd., EverBlue Apparel Ltd. (Jeanswear) and Celebrations Apparel Ltd. (Shirts). We also have some of the most highly respected fabric and apparel brands in our portfolio: Raymond, Raymond (Ready-To-Wear), Park Avenue, ColorPlus, Parx, Makersand Notting Hill.
