About Us

Electra Enterprises is a professionally managed company with its headquarters located in Pune. Incorporated in the year 1987, the company is a renowned service provider, offering a series of value added and trusted services in the segment of electrical engineering works. Our services include Electrical Contractor Services, Transformer Oil Filtration Services, Voice and Data Integration Solutions, Erection of Breaker Panels, Fabrication & Installation of Cable Trays, etc.

Our company is also a reputed manufacturer, exporter and supplier of G.I. or M.S. or Alu. or S.S. or FRP Cable Trays, Cable Tray Support Systems, Cable Trunkings & Floor Gratings, Perforated Type Cable Tray (PCT), Everything in Industrial Safety Equipments, and many other such products. Our robust infrastructural setup enables us to promptly serve our customers and provide them with suitable products, systems and services efficiently and at competitive prices.

The high level of quality & reliability of our products is due to strong emphasis on design, engineering and manufacturing as per international standards by acquiring and adopting some of the best technologies from leading companies in the world, together with technologies developed in its own R&D centres. Our mission is to become globally renowned as the leading provider of data and voice services from the design stages, installation process, to end user training applications. Our professionals strive to build...
