A translation agency for all your translation need is a one stop solution lingua world services because we translate your ideas all languages translation solutions for the indian and foreign service.

About Us

Let me take this opportunity to introduce ourselves to your organization for our services. We are a professionally managed translation agency with more than seven years experience in the field of translation, localization, content development, voice over, transcription and other allied fields. We have been providing our services to individuals, groups small organizations and even big MNCs including software IT banking, finance, oil and gas TV journalism Advertising and Media giants. We have a large pool of in-house and freelance native translators and proofreaders in all the languages which we have meticulously built during our experiences over the last seven years by working with a number of translators/linguists from different fields and varied experiences. This is why we are capable of providing best quality services at very affordable prices in shortest possible times. We also have alliances with a number of other translation companies in case of fulfilling large requirements say 1,00,000 words in a single day and we are proud of our capacity to successfully manage big projects. We provide our services in all the Indian, European, South East Asian, North/South American and African languages and dialects. But Urdu, Hindi, Bengali, Tamil, Arabic, Persian, Russian, Chinese, Italian, Spanish, Portuguese, Dutch, German, Japanese Korean and French are our core strength. We always look forward to long term cooperation with our clients as we believe in the...
