

# Asaus Technologies

<https://www.indiamart.com/company/2827398/>

We have gained immense recognition for **delivering unrivaled IT Services** to our clients based in domestic as well as international markets. Additionally, we also hold expertise in providing various kinds of IT Products & Srevices.

## About Us

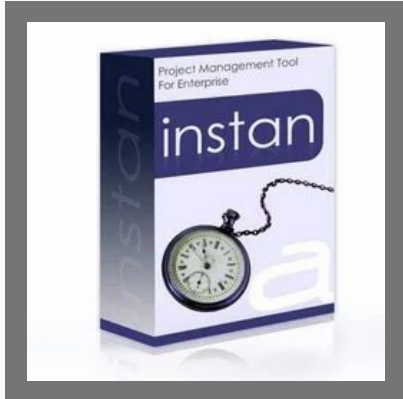

Established in the year **2008**, we, “ **ASAUS Technologies**”, are the renowned organization engaged in providing **IT Services**. Our organization is also engaged in offering highly reliable and efficient **IT Products**. Within a short span of 3 years, we have been able to become experts in Process Automation, Product development and Custom Application. Capitalizing on our core competencies, we have been able to deliver comprehensive Software development and Consultancy solutions. Banking upon our modern facilities, we have been able to prove expertise in developing projects in various technologies and domains. Our team of trained and skilled professionals ensure that the quality standards and delivery schedule of all the projects are met. We work in close coordination with the clients that help us to quickly interpret their requirements. At our organization, we have combined management concepts and frameworks with core business principles. This helps us offer relevant, practical and implementable solutions to the clients based across **Indian Subcontinent**. The testimony of our success is the esteemed names like **Rapid Associates**, **Webgility Inc** and **Delta** in our clientèle. For delivering best solutions to our clients, we ensure that our team incorporates innovative ideas in every project that we undertake.
