## About Us

Beyond Architecture is a young planning studio based in Kolkata, offering one stop solution for all your architectural and master planning needs, officially active since April 2012.

Way back towards the end of 2011 a small group of young , creative and knowledge hungry professionals who happened to share more or less the same dreams, aspirations, zeal to learn and the experiences in the domains of Architecture, Structure, Building Services, Utilities, Future maintenance issues, Horticulture / Arboriculture and Environment decided to join forces to create something futuristic.
