About Us

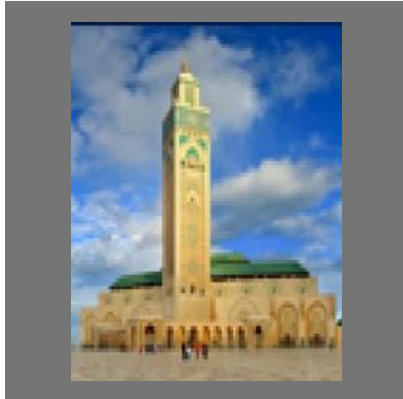

Business Travel Services: Mercury Travels manages the travel budgets of several large domestic and global companies. The company aims to assist in managing, controlling and reducing the corporates' travel expenses. To this end, Mercury Travels uses a consultative approach with corporate customers to ensure they derive maximum value out of their travel spends. This is undertaken through a detailed analysis of the coporates' travel related requirements, agreeing travel processes and service levels, undertaking better buying initiatives and thus devising a Corporate Travel Value Proposition that meets the corporate needs. Mercury Travels provides complete travel services which includes ticketing, transportation, hotel reservation, foreign exchange, travel insurance, passport and visa assistance, airport services etc. The company also has a robust data management and payment process for customer ease.
