About Us

Cyber Law Pioneers is a group of experts who provides proper guidance to cope up with cyber crime, Intellectual Property Rights issues, E-contract dispute, online frauds, e-banking issues, e-commerce, other crime happening in digital world. We do provide assistance with any possible civil disputes arising due to the stated crimes too. Our group is composed of expert software developers, network engineers, hardware engineers, hackers, cyber security professionals and cyber law professionals. Cyber Law Pioneers assists you with all type of remedies available in the world of cyber crime(criminal, civil & administrative). We provide a systematic approach in a disciplined manner to fight back the reported cyber crime, this may include, lodging a complaint, mining admissible E-evidences, forensic assistance, pre-court procedure assistance, legal writing for prosecution & vice versa and an all time intellectual support for further proceedings. The main aim of Cyber Law Pioneers is to create awareness about cyber crime, in the mind of people. Because mostly cyber crime happened due to lack of awareness and the victim of cyber crime not know that how to face cyber crime. The Cyber Law Pioneers is able to help the Police to handle the cyber crime and electronic evidence. All the member of CL Pioneers is well qualified and certified in techno-legal field. Members are able to provide expert opinion.

The certificate of this training will be provided by MPCON (Madhya Pradesh...
