

Computo Copier Centre Pvt Ltd

<https://www.indiamart.com/computocopier/>

For the last 30 years, we are providing **IT assets on rent** like **desktop, printer, laptop and scanners** to corporates and government organizations.

About Us

Our company is established in the **year 1987**. **Computo Copier Centre** is known in the market for trading and supplying a wide range of **Digital Printer, Printing Machine, Plotting Machine** and various others. We also provide **Scanner Hire Service, Printer Rental Service, Printing Machine Hire Service**, etc. The accurate output and premium quality of our products makes them highly demanding in the market and helps in growing in the market. The products we offer are used in IT field, printing shops and others. Our company satisfies the customers by sourcing products of their choice. The services we provide are known for their longer service life and reliability which increases their demand.

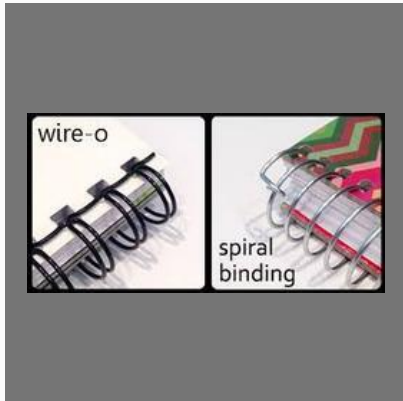

Mr. Chetan Chopra/Mr. Hirak Dutta (Partner/Manager) are fully dedicate their effort to the company in order to bring it amongst topmost. They shower the knowledge they have to the team members to make them learn new things. Our team works with absolute precision and perfection after understanding each and every aspect. The team we have recruited is talented and always involve themselves in new techniques and methodology as introduced in the market and work using them. Our company possesses large production unit where work is smoothly handled by our team. Our team tests the products for their hassle free and defect free delivery which satisfy the clients. Moreover packaging of the products is also another aspect on which client...
