About Us

Conekting Talent is a high-performance, staffing and consulting firm that is committed to producing results for our clients, candidates and employees. Founded five years ago by senior personnel from **Monster.com** one of the world's largest online employment solutions company., **Conekting Talent** has grown its business rapidly, satisfying clients and candidates across industries. The leadership team has several decades of collective experience defining talent strategies and understanding talent issues across industries in local and global markets and bring a unique edge to understanding and fulfilling client needs. To meet client needs precisely, our consultants work in practices defined by industry/sector and organizational functions, in which they have significant prior executive-level experience. Our services are grounded in rigorous research; we stay on the leading edge of what matters most in your world, and maintain close personal connections with the best talent in your field. Our efforts to consistently exceed customer expectations, provide personalized service, quick response and timely delivery, makes us your best option for a human resources partnership.
