## About Us

Borne in 2006, Confusion Fashion Accessories is growing rapidly. We are now present in Ahmedabad, Pune, Chennai, Kolkata, Ecommerce and Exhibitions across India. We create unique designs to match the season and on going trends. Our designs are almost never repeated with distribution through a selective network and clientele. We strive to change the accessories industry from retail to one-on-one service. Our range of beautiful, stylish neckpieces make plain tees and denims a complete outfit. Just one signature piece can enhance your look for any occasion. Be it a cuff, an elegant brooch, stylish DIVA earrings or a simple neckpiece. The combination of rings, hoops, semi-precious stones, Swarovski crystals, beads interwoven together gives the accessories a different perspective. We work with you to customize our products and cater them to your needs, which includes creating gifts & giveaways for your weddings, festivals, parties and more. Confusion Fashion Accessories is an offspring of Kenil and Sinsar, who have been in the Fashion Jewellery industry for the last 20 years as wholesalers across India.
