We manufacture, supply and export the best quality of Cosmetics and Perfumes. Their accurate composition, high effectiveness and longer shelf life, make these care products highly demanded in beauty parlors and beauty clinics.

About Us

Established in the year **2002** at Mumbai, we, **Cosmic International**, are a reputed manufacturer, supplier and exporter of world-class Cosmetics and Perfumes. Inclusive of Skin Care Creams, Hand & Body Lotions and Face & Body Scrubs, we offer optimum quality Skin Care Products. Formed with a vision to conceive, create, develop, package and ship premium grade cosmetic products globally. In the past decade, we have made our presence felt not just within the country, but internationally as well. We specialize in offering products that meet international quality standards yet do not make a hole in the pockets of the consumers. Our cosmetic products have been formulated after thorough research and guarantee noticeable results within a few weeks of use. Our in-depth and vast knowledge about the cosmetic industry, coupled with our relevant experience in the same domain has helped us offer skin-friendly cosmetics to our clients and patrons. These contain active herbal and natural ingredients which deliver sure shot results at highly competitive prices. Complete information regarding the ingredients, mode of application and method of action of each product is provided to the clients. These are supplied to clients at affordable prices.

Thorough research is conducted to narrow down on ingredients required to treat various types of skin problems as per the different skin types. The best quality of ingredients are procured from reliable vendors of the market...
